

Please do not change the restrictions on Wisconsin's No-Call List, unless it is to make it even tighter by including non-profits and political organizations to be restricted from calling anyone on the No-Call List. I do not want to be called by these people and organizations. That is why I am on the No-Call List. "No-Call" should mean exactly that NO CALLS coming from telemarketers, non-profits, educational or political organizations. Thank you.
